

Winter 2012

Happy, Happy New Year! As we count our blessings from 2011, we always add you, our quilting friends from Carriage Country Quilts. We have had some wonderful students, and so much fun in our classroom this past year. If the walls downstairs could talk, there would be way too many secrets revealed and none of them sewing related!

Our whole family was home for Christmas, which brought us great joy. Erick and Brittney brought Chuy (the 4lb grand-dog) and he rules the roost! Emily is still home until the middle of January, so we can continue to celebrate the New Years with her. Even when she is away at college we keep her working on making shop models!

The young girls - Emily and Rylee - got us on Facebook this year. I'm always the last to be on the technology wagon, but they are very patient with me. This year be prepared for lots of new looks to our website, newsletter, and "techno-stuff". They tell me its time to join the 21st century! Really all I need at this time of my life is "really good lighting" so I can sit and sew all day Long!

Wishing you a Happy New Year with lots of good lighting!

Carriage Country Quilts Winter 2012 Class Schedule

~~~~~Pieced Quilts~~~~~

Dear Jane

Instructor: Debbie Elhard

Join us for an old fashioned sewing bee. We are going to start the Jane Stickle Sampler quilt. We will learn to hand piece, hand appliqué, and have a great afternoon of fun and fellowship. Kits will be available.

Four sessions - Sundays Jan 29th, Feb 26th, Mar 25th, and Apr 22nd 12:00-3:00 pm

Class Fee: \$35.00

Friendship Triangles

Instructor: Bobette Weimer

Is there anything more fun than getting together with other quilters who share your passion for beautiful fabrics and quilting? How about getting together to sew, visit, eat, trade triangle blocks and fabrics? Then, use these blocks to make some gorgeous quilts that will provide you with memories of fun times for years to come? We'll take our inspiration from the book "Friendship Triangles" by Edyta Sitar, and trade triangle squares to make the lovely quilts in the book. You decide which projects we do and what colors you want to trade. Join us once a month, bring a friend, make some new friends, and start a new quilting adventure. (Book purchase is required.)

Four Sessions - Mondays Jan 23rd, Feb 13th, Mar 12, Apr 23rd 6:00 - 9:00pm

Class Fee: \$40.00

Farmers Wife

Instructor: Debbie Elhard

Do you love making sampler quilts with traditional blocks? We will sew and share "farm" stories in class every month. Join us as we work our way through "The Farmer's Wife". Based on the question put to farmers' wives "Would you want your daughter to marry a farmer?" We will provide the templates for the blocks. Book purchase required.

Four sessions - Tuesdays Jan 10th, Feb 7th, Mar 6th Apr 3rd 11:00-2:00pm

Class Fee: \$35.00

~~~~~Pieced Quilts~~~~~

Large and Small Star Quilt

Instructor: Debbie Elhard

You all know how I love using fat quarters and making stars. So I found another fun pattern for us to make a great generous sized lap quilt. Bring your favorite 20 fat quarters and I'll bring the treats!

One session - Saturday March 24th 10:30-4:00 pm

Class Fee: \$35.00

Lollipop Hill

Instructor: Kathleen Higgins

Elephants, bunnies, ponies and lollipops make up this cute quilt. Join us for a class in machine appliqué and piecing to put together this children's quilt.

Two sessions - Wednesdays Feb 1st, Mar 7th 10:30 - 1:30 pm

Class Fee: \$40.00

Minglewood

Instructor: Wendy Hendricks

Join us as we create this wonderful quilt from "Four Seasons at Minglewood". The quilt has 32 blocks. Each month we will get together and work on 2 blocks. We will squeeze the center appliqué block in early, so you can have it done by the time your pieced blocks are done. There will be two colorways available. You may choose one or both. One leans toward Christmas (not Christmas fabrics, but gold, red, green, and black). The other is made of Civil War Reproduction fabrics. I will help you with cutting tips and tricks, as well as construction of the blocks. If you can't make the class... this will also be offered as a Block of the Month in both colorways. Join us, there is bound to be lots of fun and laughter!

Four sessions - Mondays Jan 9th, Feb 6th, Mar 5th and April 2nd 6:00-9:00pm

Class Fee: \$40.00

Mirror, Mirror

Instructor: Bobette Weimer

This is the perfect pattern to use up those 2.5" strips you've been saving. Especially effective in two colors, this is a fun, graphic quilt that goes together quickly and easily. What will you see in your own "Mirror, Mirror" quilt? (Pattern purchase required for class).

One Session - Friday February 24th, 6:00 - 9:00pm

Class Fee: \$35.00

~~~~~Pieced Quilts~~~~~

Pony Express

Instructor: Terri Nussbaum

Quilting and history seem to go hand in hand, and this quilt is a great example of that. It was Jodi Barrow's fascination with the old west that sent her on a journey to commemorate the "Pony Express" 150th Anniversary. As Jodi designed this sampler quilt, she incorporated her love for the square in a square method. Though this is a good method, sometimes there are other ways to create a block that may be more efficient. So we will be using this quilt to learn how to redraft blocks in a method that fits your style of piecing, and will be more useful to you! You may use a computer program such as EQ, or a simple piece of 1/4" graph paper will work too! Take this class because you love to quilt, or because you want to learn how to draft blocks! In any case you need to take this class! (Book Required)

Four sessions - Tuesdays January 10th, 17th, 24th, 31st 6:00 - 9:00 pm

Class Fee: \$45:00

On A Roll Mystery

Instructor: Terri Nussbaum

One session - Fridays January 13th, 6:00-10:00pm

Class Fee: \$35.00

Woven Ribbon

Instructor: Terri Nussbaum

Like the name suggests this quilt looks like ribbons that have been woven over and under and over again. No seams to match up, and strip piecing make this quilt as easy as it gets.

Two sessions - Thursdays March 13th, 27th, 6:00-9:00 pm

Class Fee: \$40.00
